

Partner with Classiq

Get the most out of your matching partnership model

Strategic Partners

Shape what comes next.

Best For

Global enterprises, governments, national labs, academia, and industry organizations making quantum a strategic priority.

Your Role

Collaborate with Classiq on high-impact initiatives - from joint go-to-market and R&D to thought leadership, events, and innovation programs.

Your Value

Gain strategic access to Classiq's technology and expertise, strengthen your innovation leadership, and play an active role in shaping the future of quantum computing.

Building the Quantum Future. Together.

Here is a showcase of our leading partners

Global collaboration across AWS Marketplace, ISV Accelerate, and joint co-selling activities.

Expanding access to Classiq across the U.S. and Canadian government and public sectors.

Strategic collaboration in Japan and beyond, bringing joint quantum solutions and go-to-market activities to customers.

Various joint activities, such as shared webinars and participation in Infosys's living labs.

ALICE & BOB

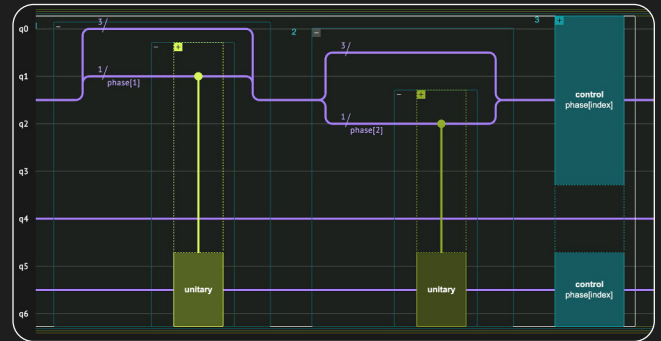

Hardware collaboration, making it easy to access state-of-the-art quantum hardware directly on the Classiq platform.

About Classiq

Classiq is a leader in quantum computing software, making it practical for enterprises and researchers to design, optimize, and scale quantum applications.

Backed by global leaders including SoftBank, HSBC, Qualcomm, AMD, IonQ, Toshiba, HPE and others, Classiq is building a global ecosystem that connects quantum technology with real-world impact.

Classiq is built to support the teams already working in quantum and to enable many more to join them. The goal is simple: build today, experiment with confidence, and stay ready for what comes next.

A Global Partner Ecosystem

Our ecosystem brings together leading technology, consulting, cloud, distribution, and quantum companies - including AWS, IonQ, Deloitte, Carahsoft, Alice & Bob, NVIDIA, NTT DATA, and many others.

Ready to Partner?

Whether you want to create new revenue, expand your technology offering, reach new markets, or lead strategic quantum initiatives, there's a place for you in the Classiq partner ecosystem.

Find out how **Classiq** can help you build your quantum future.

Join us and turn quantum opportunity into real-world impact.
